"Woodensburg, Md., April 4, 1921.

Hon. Board of Public Works,
Union Trust Building,
Baltimore.

Dear Sirs;

I enclose herewith the following bills approved for payment.

Smith & Yingling, Westminster, Md., lumber --	76.15
Geo. W. Beam, Patapsco, Md., carpentering	
to April 1st, inc. -----	144.00

I would ask that checks be sent promptly to settle these bills.

I am advised by you that a check will be sent to me for the sum of \$500.00, out of which I am to settle bills of \$25.00 and under. This is in accord with my request, but I think it would be advisable to also pay the monthly farm payroll out of this fund. The amount of this payroll is \$190.00 per month, \$70.00 to the foreman, and \$60.00 each to two farm hands.

I have not as yet received the \$500.00 check, but suppose it will be sent to me this week. If it is satisfactory to the Board to have the farm pay roll paid out of the \$500.00 check please advise me promptly, otherwise I will make out the bill for last month, approve it, and sent in for payment.

Very respectfully yours,

(Signed) Thomas V. Wedge, Chairman,
Farm and Building Committees
Md. Industrial Training School for Girls".
